

WORDRAKE®

EDITING SOFTWARE FOR THE LEGAL PROFESSION

WordRake software instantly edits reports, briefs, contracts, letters, and memoranda for clearer, more concise writing, saving you time and money. With an add-in to Microsoft Word and another for Outlook, WordRake software:

- edits a 10-page document in 30 seconds
- costs about 35¢ a day

Lawyer and WordRake creator Gary Kinder has taught over 1,000 writing programs for the ABA and to firms like Jones Day, WilmerHale, Latham & Watkins, and Sidley. He is also the author of the *New York Times* bestseller *Ship of Gold in the Deep Blue Sea*.

"WordRake is a tireless, independent set of eyes to help make my writing precise."

- Joe Peiffer
Day Rettig Peiffer, P.C.

"One of the most exciting technologies to come to the legal world in years."

- Dave Maxfield
legal technology expert, ABA TECHSHOW Speaker

WordRake Software identifies words and phrases with no meaning, suggests changes the writer can accept or reject, gives the writer confidence, and teaches better writing habits as it edits.

Thousands of law offices, legal departments, government agencies, and businesses rely on WordRake.

"I was so enormously impressed, I instantly bought licenses for the 22 lawyers on my staff."

- Chris Helwick
General Counsel, California State University

"Our clients pay flat fees . . . the faster we can generate the best possible document the better. WordRake helps us do that."

- Patrick Lamb
The Valorem Law Group
