For three days, attendees learn about the most useful and practical technologies available. Our variety of CLE programming offers a great deal of education in just a short amount of time.

But there's more to ABA TECHSHOW than the educational programs; attendees also get access to the **EXPO Hall** where legal technology vendors are eager to demonstrate their helpful products and services. Touch, Talk, and Test your way through more than 100 technology vendors.

Mark your calendars for February 27- March 2, 2019, at the Hyatt Regency Chicago for ABA TECHSHOW, the best conference for bringing lawyers and technology together
