

AMERICAN BAR ASSOCIATION TECHNOLOGY RESOURCES

The American Bar Association (ABA) offers many resources for those interested in learning about technology. Several of those resources are included below.

Legal Technology Resource Center

The ABA [Legal Technology Resource Center](#) (LTRC) offers legal technology resources for lawyers, including a blog, publications, and webinars. Many of the resources found on the LTRC website are available to ABA members as well as non-members.

Available resources include, but are not limited to:

- [Articles](#)
- [Free Full-Text Online Law Review/Journal Search](#)
- [Buyer's Guide for Legal Technology Products](#)

Visit the website often and check back for additional resources.

Law Technology Today Blog

The ABA LTRC also publishes [Law Technology Today](#), an online resource aimed at providing lawyers and other legal professionals with current, practical guidance on legal technology issues.

In addition to informative tips, blog posts, and videos, resources also include guidance on:

- [Security](#)
- [Hardware](#)
- [Software](#)

Visit the website for additional information and resources.

Law Practice Division

The ABA [Law Practice Division](#) (LP) offers lawyers and legal professionals resources related to the business of practicing law, including information in the core areas of marketing, management, technology, and finance. Membership enables legal professionals to take advantage of LP meetings, professional networking opportunities, CLE programming, discounts, a magazine, and more.
