

PLF UPDATES

## 'Tis the Season for Excess

Whether you are renewing your firm's Excess Coverage with the PLF for 2019, or are considering Excess for the first time – now is a great time to apply for additional coverage. Though applications are accepted at any time throughout the year, now is the perfect time to apply for Excess Coverage beginning January 1, 2020.

The PLF offers excess coverage to Oregon law firms on an underwritten basis with limits ranging from \$700,000 to \$9.7M. Included automatically in PLF Excess Coverage is an endorsement providing law firms with additional coverage for cyber liability and breach response claims. These types of claims are excluded under the PLF Primary and Excess Plans, so the automatic Endorsement added to all Excess Plans is a great benefit to help protect your firm.

To apply, visit the PLF website and create an account on the Excess Portal. All applications are now online, so create an account to start the application process. Each application is reviewed, underwritten, and priced individually. Quotes are typically provided within 10 days application submission.
